Customer Reviews

Superbly written. Read it all the way through and used the exam suggestions and practice exams to pass the exam on my first attempt on December 15, 2016. Cant beat the price and well worth it.

I told myself I wasn't going to leave a review until I passed my test. Well needless to say I passed the class and my test for my license and I read this book a month before I started my class. It was a BIIIG Help. I studied the book and then took the class which made passing the class (60hrs) a breeze...Thx

This study guide helped me pass the National real estate exam. Very easy to read and follow.

This book was the reason I passed my exam only after one try. My friend failed the exam 5 times! This book should be read along with the practice exam questions. Prepares you!

This book didn't help me at all, I had better luck watching the free prepagent videos on youtube.

Perfect!! Didn't know what I would have done without this! I am a new mom trying to change careers and was having trouble finding the time to create a detailed study guide. I was overwhelmed trying to do it on my own and this book was the PERFECT solution!!

Excellent transaction.

I have been working with a number of real estate exam books. This is the best by far! Comprehensive and easy to understand leading to true learning.
